

LEDPROOF MONTHLY NEWS UPDATE

THIS MONTH TOP CUSTOMER STORY

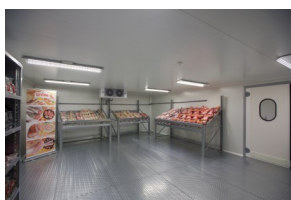

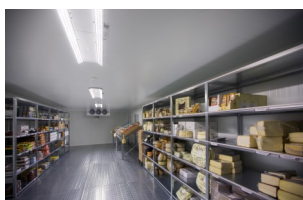

November 2015

Together with our partner Inventa LED, the renowned Supermarco in Copenhagen where able to bring their lighting atmosphere to a higher level.

This through a new resourceful combination of standard light products and custom built LED solutions primarily based on LEDPROOF's technology.

Besides the energy savings of LED primarily based on LEDPROOF's technology, Supermarco now also delivers an improved shopping experience displaying the products perfectly illuminated.

The new lighting solution at Supermarco, has made shopping at the delicious Copenhagen based Italian supermarket even more 'Molto Fantastico'.

Other news this month
